Lodwar Ladies 2020

Our dear friend Pastor George asked us to host a two and a half day Ladies Conference at his church. This was the 2nd Annual Ladies Conference, which began last year as we ministered there. It was a powerful time of ministry as Sue shared on "The strength of a Woman" and Jim shared on forgiveness. We saw an average of 40 ladies in attendance, as well as a few men who chose to join us. There was a wonderful time of repentance and deliverance. We saw broken hearts mended as well as a deaf ear begin to hear, and back, knee, and leg pain go! God is still in the miracle working business, and we give Him all the glory!

Ruiru, Nairobi Zoom

We were finally able to return to Kenya on August 3, after travel restrictions had kept us in the US for five months. We had 5 conferences scheduled from the end of July through the end of September. Upon our return, we questioned how many of them would still occur. But God! Our FCF overseer, Pastor Victor, called us and requested that we each take one session of the FCF Leadership Conference he was hosting in mid-August. We ministered over Zoom, which went quite well, and received several good reports of peoples lives being touched by the messages.

Lodwar Bush Pastors Oct. 2020

We are very grateful and excited to return to Lodwar on October 6 to minister to the pastors from the bush villages. The first day we plan to take a 4wd vehicle to some of the villages to experience their community life. In order to traverse the difficult terrain, there is a need to rent a Land Cruiser for a day. **The cost is \$150.** If you desire to help with this expense, please designate it as you give or notify us by email so that we will use the funds as allocated. We will also minister for two and a half days, bringing a word of encouragement to the pastors as they gather together in Lodwar town. **The cost of feeding the pastors, flight, hotel and meals for us is about \$450.** Please consider sowing into this event that will impact entire villages with the Gospel of Jesus Christ. Kindly consider the **women's conference cost of \$600** that we paid out of our regular monthly expenses. Thank you for joining us in this ministry.

Proclaiming the Name of Jesus

Something that has been on our hearts is our desire for the pastors from the bush to be able to have the Bible in their own language. Most of them do not have access to a Bible for their congregation. A dear couple in Florida heard of our desire, and gave us money with which we were able to purchase 5 solar audio Bibles. We gave them to key pastors in the area and are looking forward to the reports of entire villages being able to hear the Bible in their native language. One of the pastors we gave a Proclaimer to happened to be one of the original interpreters who recorded the book of Hebrews! Pray with us that many will hear the Good News of the Gospel and make Jesus Lord of their lives.

Mercy is Leaving the Nest

Mercy is headed to Nairobi October 13th. She finished school in 2019 and held down the fort while we were away in the states. She is one of the strongest young women we have ever known. Her life has not always been easy, but she has overcome every obstacle through her unwavering faith in the Lord. He has shown her favour at every turn, so we are confident in Him for this move to Nairobi. She goes by faith, because jobs are scarce during this Covid season. We will help her as she gets on her feet, and trust the Lord for her provision. Please pray with us as she searches for a job and ministry opportunities to mentor young girls and woman.

If you would like to contribute to her move, please prayerfully consider the transport to Nairobi of \$160, and the setting up of a new apartment and the monthly rent of approximately \$80 plus security. She will also need approximately \$100 per month for food, toiletries and transport as she looks for work. Pray for us as we send her.
